

# Are you looking to leave a bequest to the American Cancer Fund® in partnership with the American Cancer Association®?

Thank you for considering a bequest to our organization! We'd like to help make it as easy as possible for you. Here are some suggestions for how to proceed:

1. Make your estate plan at no cost, through our partnership with FreeWill (<https://www.freewill.com/americancancerfund/>). It takes about 20 minutes to create a legally valid will. You'll be prompted during the process to enter the details of your bequest.
2. If you'd prefer to work with a lawyer, here is some suggested language that will ensure your gift is carried out as you intended. If there is a specific program or purpose you'd like your bequest to support, we encourage you to speak with our development staff to determine what would be most impactful for the American Cancer Fund in partnership with the American Cancer Association.

Most bequestors choose to either leave a fixed dollar amount, or a percentage of their residual estate.
