

BEQUEST INFORMATION

By supporting the American Diabetes Association, you are supporting millions of affected people looking for a world free of diabetes and its burdens. Make a lasting impact by including a provision in your estate plans. Always consult your professional advisor when making or revising your will.

Specific or Residuary Bequest:

“Residue” is a term to describe the portion of your estate that remains after all debts, expenses and specific bequests to others have been satisfied. “I give to the American Diabetes Association, whose national office is presently located at 2451 Crystal Dr., Suite 900, Arlington, VA 22202, and whose mailing address is PO Box 7023, Merrifield, VA 22116, tax identification number 13-1623888, the sum of \$_____, or all or ____% of the rest, residue and remainder of my estate to be used for general purposes.”

Gifts of Life Insurance, IRAs, or Other Pension/Retirement Plans:

A will typically does not dispose of assets such as a life insurance and pension plan, which usually pass by “beneficiary designation.” This is a contract between you and your insurance company or plan administrator to transfer the assets upon your death to the person(s) or institution(s) you have designated. (usually in the initial paperwork you completed to establish the asset) To designate the American Diabetes Association as a recipient as a designated beneficiary, contact your administrator and complete a change of beneficiary form using the address and tax ID 13-1623888.

We also invite you to let us know about your gift so that you may become a member of the Summit Circle Society, a special group of supporters who have included a gift to the Association in their plans. Please call us toll-free at 888-700-7029 or email plannedgiving@diabetes.org.

For further information about making a gift through your will, trust or by beneficiary designation, please contact the Planned Giving department at 888-700-7029 or giving@diabetes.org.
