SMART GIVING · STEWARDSHIP

Generosity as an act of worship

Faithful stewardship means giving thoughtfully from everything God has entrusted to you, including your non-cash assets. A gift of stock, a grant from your Donor-Advised Fund, a Qualified Charitable Distribution (QCD) from your IRA, or even cryptocurrency can be a meaningful way to give to your congregation or an ELCA ministry.

Four Ways to Give With Purpose

Tithe From What You Have

Tithing puts God at the heart of your finances. Let your non-cash assets become part of your regular giving to your congregation.

Make Every Gift Go Further

Giving appreciated stock or crypto may help you avoid capital gains tax, so more of your gift reaches the church. Ask your tax or financial advisor for more information.

Give With Intention

Scripture calls us to give what we've planned in our hearts, cheerfully and on purpose (2 Corinthians 9:7). Make your giving more than just a year-end afterthought.
