Swedish Foundation's

## Legacy Advisors

**M**ake a lasting impact on the future of health care philanthropy. As a Legacy Advisor, you play a crucial role in guiding individuals toward creating meaningful charitable legacies that support world-class health care and groundbreaking medical research through Swedish Foundation.

You are a trusted advisor who prioritizes professionalism, integrity, and a client-centered approach. At Swedish Foundation, we share your commitment to thoughtful planning and compassionate service — ensuring that donors maximize the impact of their giving while safeguarding their financial security and family legacy.

By educating individuals on the benefits of charitable planning, you help cultivate a new generation of philanthropists. This holistic approach allows donors to align their values, passions, and financial goals with opportunities that drive life-changing health care advancements at Swedish.

Legacy gifts — including realized bequests and documented future commitments — are a vital part of Swedish Foundation's philanthropic efforts. Whether through estate plans, IRA and retirement account beneficiary designations, life insurance policies, or other giving strategies, these gifts help ensure that Swedish remains a leader in compassionate, innovative health care for generations to come.
